Instamart — Executive Business Insights

Sales & Revenue

Net sales reached ₹1,959K from 5,000 orders, which is 130.63% of the ₹1,500K target. Average order value is ₹391.90.

Profitability

Total profit is ₹518.29K at a 26.45% margin. Personal Care earns the most profit (₹83K), and Baby Care has the best margin (27.31%).

Customer Performance

1,686 of 1,800 customers are active, and 1,397 of them are repeat buyers. The 262 high-value customers bring ₹715K, about 36% of revenue.

Regional Performance

North leads with ₹509K sales and ₹136K profit. Central is the weakest (₹183K, 9.35% of sales), so it is the biggest growth opportunity.

Operations & Delivery

94.34% of orders were delivered, with an average delivery time of 24.66 minutes and a 4.10 rating. Cancellations are 4.20% and returns 1.46%.

Product Performance

Diapers are the top product in both sales (₹94.5K) and profit (₹26.2K). All categories keep a steady margin of about 26%.

Key Recommendation

Grow Central region, reduce cancellations in Madhya Pradesh (6.98%, the highest), and promote the top products to increase sales.
